

NIGERIAN INSTITUTE FOR CHARACTER EDUCATION

CHARACTER IS SUPREME

ELECTION TO INDIVIDUAL MEMBERSHIP

We are a non-profit and non-governmental organization whose aims and objectives are essentially character moulding.

Membership of the organization is three-fold, individual membership, corporate membership and honorary membership.

It is therefore my pleasure to invite you to the membership of the institute.

Membership is usually extended to carefully selected well-meaning and public spirited persons of notable achievements and proven integrity in both the public and private sector of the Nigeria economy.

An individual member of the institute is required to pay a Registration fee of ₦1,000.00 (One thousand Naira) (US\$10) and an annual membership fee of ₦6,000.00 (Six thousand naira) (US\$40) amounting to ₦7,000.00 (seven thousand naira) (US\$50) in the first instance. As soon as the fees are received, your name will be recorded in the Institute's roll of individual members and the relevant certificate of membership will be issued.

There is no doubt that the negative behaviour now visibly manifest in virtually every facet of our lives is at the root of our national malaise.

One needs hardly emphasize the immense value of our organisation to our collective and individual security, happiness and over-all national progress.

It is therefore hoped that you will accept this invitation to contribute your quota to this worthwhile cause.

We look forward to your positive response.
